* (On-site Course is available)

For fast confirmation, call (919) 374-5529 for our Training Program Coordinator

Because we often receive more registration requests than we can accommodate in any given course, early registration is recommended. Be sure to indicate the dates of the course(s) you wish to attend. Payment may be made by purchase order, Visa, American Express or MasterCard. Full refund will be made only if notice is received one week prior to the course. Please make sure that the registration form accompanies payment. You may photocopy this form for additional registrants.
